Putting the Last First

Annual Report

2015-16

Nav Bharat Jagriti Kendra

Website : www.nbjk.org

From the Secretary's Desk...

This is a pride to present Annual Report 2015-16 in 45th year of our commitment towards integrated development of children, youths, women, PwDs, eye patients, carers, farmers and families in need of better education, health care and livelihood option. We, at NBJK, feel that our intervention leads to facilitating people towards an urge for change and community initiative.

Quality education and working towards child rights is a priority for us. Establishment of Komal Pujan School at village Silaunja, Bodhgaya is another initiative towards providing quality education within reach of poor and marginalized rural children. The result of students of class 10th and 12th in all our schools in CBSE and state board has been encouraging with over 98% result and more than 50% in first division. At Lord Buddha Home for Children, Bodhgaya, an orphan child Master Ganesh has made us proud with his marvelous academic performance. Under Child Centered Community Development Program in Churchu block of Hazaribagh district, our activities were on rise with different stakeholders and the intervention in cleanliness, sanitation and hygiene was acknowledged by Hon'ble CEO of Plan International with an award to our President & ED Mr. Girija Satish. Joining Childline 1098 in Hazaribagh has been also a new initiative in 2015-16 to safeguard child rights.

In this reporting period, we have been successful in upgrading the service in LNJP Eye Hospital by establishment of Diabetic Retinopathy unit, Retina Clinic and Glaucoma Clinic. Besides diversifying our services, the support for bus by ABFS made the hospital accessible to remote village patients in Dumka district. Under our disability program, we got success in attracting the attention of Member of Parliament, Mr. Ravindra Pandey at Giridih, who heard the beneficiaries for Disability Rights and distributed special Scooties among 3 physically challenged youths there. In Dumka and some other districts too, the Disabled Person Organization got strengthen and vocal. It was a prestigious moment for NBJK to participate with world-fame Bollywood actor Mr. Amitabh Bachchan in his very popular TV show "Aaj ki Raat Hai Zindgi" with the support of Carers Worldwide founder member Dr. Anil Patil who, with the beneficiaries from Hazaribagh and NBJK's Program Manager, got warm welcome and appreciation for the unique initiative in the country. Also we are happy to revive the most demanding "Community Mental Health Program" and "Remedial Coaching Centers" in limited scale after a gap of about two years.

We got successful in achieving our result under the "Smart Village-Lakhpatri Kisan" program in Khunti district as making many farmers lakhpatri. Under the program we ensured water structures for 1350 HHs and more amazingly pulled down water through pipes from Tajna River to Baree village by gravitational flow via SUDKI hillocks. This endeavor has bagged 10th Water Digest Water Award for NBJK and we have been declared Best NGO for Revival of Rural Water Resources by Times Network. The initiative towards creating sustainable livelihood through Rojgar Centers, Usha Silai Schools and Credit Support has been encouraging, benefitting many thousands people to come out of poverty line with dignity.

Lok Samiti or People's Committee did a commendable job in Bihar by organizing Anti-liquor campaign round the year and proved its worth when the state government decided to ban all liquors in Bihar from 1 April 2016. This has encouraged us to take similar initiative in Jharkhand too.

These successes & achievements were only possible due to generous financial and technical supports by all our institutional donors, individual supporters and kind-hearted friends who relied upon us, to whom we express our sincere thanks and gratitude. And not the least, the team work and dedication of all our staffs made the mission & vision of NBJK to a reality in true sense.

Satish Girija

GENESIS:

Four Engineering Graduates, who were highly sensitive to the causes of disparity, exploitation and poverty deserted their comfortable lifestyle and turned towards exploring ways to establish a “just society” in which no one remains hungry, unemployed, discriminated against or exploited. SOORAJ TEACHES MOTHERS

“Once asked my mother about her schooling, she is a dropout after class 8th as Nana (maternal grandpa) passed away and Nanee (maternal grandma) got a job on compensatory ground. Mother was to shoulder her younger siblings and household. After her own marriage, she came to father’s place to look after. This haunted me many times and started to teach mother.”

Sooraj Kumar Balmiki is a student of class 8th in Government Middle School, BIT Mesra (Ranchi). His father works as a vehicle driver while mother cares for the home. Sooraj supports his mother in domestic also because of her poor health.

This son teacher has impressed many neighborhood women; they asked Sooraj to teach them also and offered even fees. He refused the offer but agreed to educate ladies and associated with District Literacy Mission. Sooraj teaches 7-8 mother students and his own mother will appear for 10th board examination next year and most of his students know simple reading/writing. “This gives me immense happiness and I enjoy this sort of teaching”, Sooraj says.

MEDIATION UNBEATEN

Dinesh Kumar (son of Rameshwar Kushwaha, village-Mandai, block/police station-Sadar, Hazaribag) is a dumb person, married to Sushma Devi (daughter of late Shyamlal Mahto, village-Oriya, block/police station-Mufassil, Hazaribag) 15 years before and both have 3 children. Dinesh is a skilled house painter and hard working man. Due to unnecessary interference of in-laws in a joint family, they became victim of irregular separation and finally wife went to her maternal place for a long time. This was like an emotional setback for the dumb husband who came

with an aide and complaint at Family Counseling Center. This exclusive case was handled successfully by counselors and after several rounds of counseling, meeting and home visit to both the parties, some daily life bottlenecks were cleared with consensus. This made a graceful return possible for Sushma to Dinesh and the couple met again as they love each other. Dinesh can't say anything but his deep feelings are strong enough.
