## The Secretary's Note

In the year 2017-18, NBJK continued towards executing its vision & mission on ground through a number of programs with a large number of beneficiaries. Due to an integrated approach we have been successful to influence people's lives more inclusively.

Besides schools, eye-hospitals, supporting small NGOs, promoting small enterprises through micro finance, agriculture development programs etc. some of the new initiatives in the reporting period have been- Promoting Handwashing through a Behaviour Change Model for School Children in Churchu block of Hazaribag district with support of Plan India, 4 Govt. Middle Schools in Hazaribag and Ranchi districts for Girls' Toilets- Access to Water - Basic Infrastructure with the help of CAF India, accreditation of Lok Nayak Jay

Prakash Eye Hospital (Hazaribag Unit) under ISO 9001:2015, establishing a new Vision Center at Bagodar (Giridih, Jharkhand) with the support of Vivekanand Mission Ashram NNN, a new Medicine & Spectacles unit in the eye hospital premises at Bahera-Chauparan very kindly inaugurated by Honorable Shri Jayant Sinha ji (MP, Hazaribag & Union Minister of State for Civil Aviation). In Dumka LNJP Eye Hospital, a new ward with 50 beds got launched by Mr. Mukesh Kumar (DC-Dumka). Jamnalal Bajaj Foundation supported to establish Smt. Jankidevi Bajaj new OT with latest equipments at Dumka eye hospital. For Dibyangjan in Ormanjhi block of Ranchi district, we organized an awareness campaign as "Viklang Ka Sath, Samaj Ka Pourn Vikas" with VSO India Trust. VSO India with the help of Randstad's CSR initiative also supported to begin a new project "Mission SAHYOG" in all the 18 blocks of Ranchi district very kindly supported by State Disability Commissioner Office-Govt. of Jharkhand. In Murhu block (dist-Khunti), we worked for Access to Safe Drinking Water & Sanitation for 1000 HHs. SBI Foundation extended kind support to commence "SBI Gram Sewa" project in 10 villages of Chakai (dist-Jamui) & Deoghar Sadar (dist-Deoghar) blocks of Bihar and Jharkhand.

Due to NBJK's transparency and impact of programs in the field, Govt. of Jharkhand nominated us in the State Supervisory Committee on PC & PNDT Act, in the State Council under Clinical Establishment (Registration & Regulation) Act, 2010 and in the State Advisory Committee under RPD Act, 2016.

NBJK facilitated a large number of children, youths, women, farmers through a wide range of programs and reached to 111033 children, 78513 eye patients (11639 cataract surgery) and 21080 PwDs with basics like disability certificates, pension/entitlements, livelihood support, ADL/physiotherapy etc. Likewise we eased livelihood options amid 33885 youths, women & men through skill development training, micro credit, agriculture & allied activities. In 15 villages, safe drinking water for 750 HHs through solar energy, renovation of 401 toilets and maintenance of 185 hand pumps made them hygienic. With "Lakhpatri Kisan" at Khunti, women run high-tech poly house and started a Producers Company amazingly. Fellowship for 25 social activists and 4 VOs, inputs over livelihood promotion/food security and treatment for 1300 people with mental illness & epilepsy are some achievements of Support to Small Initiatives. Again women and children have dominated in Advocacy programs and we campaigned against liquor with "Sharab Mukti Yatra" across 15 districts of Jharkhand. Lok Samiti advocated for a strong law to get rid of liquor in Jharkhand and India.

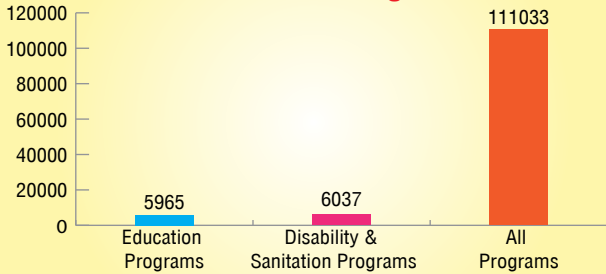

We are proud and obliged to our supporters, donors, staffs & board members for their trust and being the force behind all these activities. They enabled us to Putting the Last first.

We express our sincere thanks to all!

## A Home for Homeless Children (case story)

Mukesh (11 years), Geeta (06 years) and Sweety (03 years ) are siblings. They belong to Shankar Bigaha village of Gaya district. Their father, Late Rajeev Manjhi, died due to AIDS and after some time, the mother too passed away. Unfortunately no one in the family wanted to take care of the children.

One of the Sadhu ji living in the Bodhgaya area, aware of this situation, visited LBHC in 2016 with the hope the children could be looked after. Later on, LBHC workers visited the children's home and reported the family background to the LBHC governing authority. The three children have been living in LBHC since December 2016. Currently all these reside in House number 2.

Mukesh is happy with the other children of his house and with the mother who takes good care of them. He is a class 3 student at Komal Pujan Pubic School in the very campus. He is a good student and he would like to become a doctor. Science is his favourite subject at school. He likes to play football and also cricket.

Geeta is happy and healthy, but she has some learning difficulties. Geeta likes to play Badminton, and play hide and seek game with the other girls of her house. As her brother, she also studies at KPPS. Geeta is in UKG and she is learning how to read and write.

Sweety is a healthy little girl, always smiling. She likes to play carom, to play with dolls, and play hide and seek game with the other girls of her house. She is enrolled in LKG at the same school.

The three children have many good friends in LBHC. Mukesh is a little shy but Geeta and Sweety like to dance and be on stage.

### A Promise for Possibility (case story)

Rani Kumari (8 years) is the daughter of Mrs. Leela Devi & Mr. Ranjeet Kumar Sahu at Samlong, Ranchi. She was born as a pre-mature and underweight baby, now suffering from low vision with bilateral moderate hearing loss and malnutrition (PEH Gr. 5). Her father works as a labourer and mother is a housewife. There is an elder brother of Rani, who is quite normal. About two & half years back, she was identified and included under SPARSH services for children like her. At that time, she used to sit inside home and to be afraid of new people. During program intervention, the parents got counselling and Rani was supported to improve her orientation & mobility,

communication and socialization. Also she learnt pre-braille and ADL skills. She goes to school and makes friends there. She can use Taylor frame (uses types in & out independently), tracking of Braille line and shorting of vegetables. Now Rani speaks out about her needs like water, food, dress, toilet, school, center etc. and her parents are happy with the progress.

### Process Started for Pension Linkage (case story)

Any one can see Mr. Shivashankar Sahu (23 years) standing behind his Chana-Sattu stall at Thakurgaon chowk, in Burmu block, almost 30 Km north from Ranchi. Shivashankar is a differently able vendor suffering from Cerebral Palsy. His residence is near the chowk and he lives with his father Mr. Bali Sahu, mother and a brother. Despite his physical & mental constraints, Shivashankar preferred to lead an active life and started selling chana/sattu as readymade breakfast for people. In the year 2015, he was issued a disability certificate by the government that counts his disability as 58%. But nothing happened about his govt. pension, as he is entitled to get that also. When an Enabling Unit as Divyang

Suvidha Evam S a h a y t a Kendra was started in Burmu block under the program of Sahyog, its Community Facilitator Mr. Vishal Mishra took notice

of Shivashankar while having Chana (gram) at later's stall. He talked to Shivashankar and collected copies of several documents like his disability certificate, aadhar card, bank account with an application to the State Disability Commissioner regarding linkage to Swami Vivekananda Nihshakt Swawlamban Protsahan Yojna for monthly pension. As per the last information, the SDC office has acted upon the application and instructed District Social Welfare Officer, Ranchi to link Shivashankar with such pesion as per concerned rules. We hope that Shivashankar Sahu will avail disability pension soon after required processing and queries if needed, Vishal (Commuity Facilitator) says.

### Water for All (case story)

Putto is a village under Charadih panchayat of sadar block in Koderma district and covered by Holistic Rural Development Program with support of HDFC Bank. The

village is situated about 8 km faraway from district headquarters. Total 1640 people live here and 69% among them are literate. Their habitation pattern follows caste/community wise assimilation and the hamlet of scheduled caste people is called Harijan Tola. There are about 60-70 HHs in this area but they were suffering from shortage of drinking water. A hand pump was the single and insufficient source of water for them. The water level used to go down during summer season and the hand pump became a point for regular quarrel due to overcrowding there.

The very issue of drinking water was raised during village committee meeting under HRDP and the community along with PRI members forwarded a request to make water available in this locality. This was a basic public facility to be restored there and the program team has decided to construct a Water Tower at Putto village. A boring for abundant water was ensured and a tower was constructed to store the ground water through solar energy.

Now all the families of Harijan Tola have free & regular access to fresh drinking water. This helped women a lot to get rid of their daily hardship and to save their time or energy for other works. They praise such a useful & eco-friendly intervention by HRDP that supports their lives so deeply.

### A Support to Her Choice (case story)

Rita Pramanik (17 years), 3rd daughter of Durga Devi & Haribandhu Pramanik, village-Gobarghusi, 5 km from Patamda block headquarters has passed class 10th in 2016 but was staying idle in home. Her alcoholic father

is a village barber/labourer and mother is a housewife with meager income. Rita's two elder sisters have been married at the age of 14 and 15 years earlier, now people have come to see her with marriage proposals from two places in January 2017. But Rita was willing to study further. When Sambhav team organized Child Rights week in her village, Rita has shared her agony. This activated all line personnels like VCPC members, ASHA to discuss the matter with her parents. Sambhav team has informed the CDPO, Patamda about Rita's problem and the issue was raised in the meeting of BLCPC on 17 March 2017. BLCPC members felt that Rita's education only can delay her marriage. The BDO & Labour Officer, Patamda have suggested for Rita's admission in govt. run residential Kasturaba Gandhi Valika Vidyalay for +2 schooling. Next day, Sambhav team has visited Rita & parents, got their request letter regarding her school admission and reported to the CDPO. The BLCPC requested KGVV management for Rita's admission and this happened with support of the CDPO and the BDO of Patamda. Now Rita regained her study and followed up by BLCPC members & Sambhav team. Rita is thankful for this development, she puts effort to study and wants to be a teacher.

21 July 2017, Bangalore: Mr. Girija Satish (President, NBJK) was invited by Azim Premji University to deliver his lecture in a colloquium. Development doesn't mean increasing production or providing

sufficient health & education facilities merely but this happens by individual development and makes us with positive mindset, he mentioned. Mr. Girija appealed the youths to be value focused, to avoid liquor/drugs and blind imitation of West. He stated that caste, communalism and regionalism are enemies of freedom required by our youths and women. NBJK president has opposed liquor, superstition and said that Building India comprehends some vital aspects like adequate employment, health, education, agro/small industries, thrust over individual scheme, guaranteed price for farmers' products, rational mechanization and promotion of private sector intervention to run schools or health centers. More than 200 students, their faculties and directors of schools have participated in this seminar.
