From the Secretary's Desk...

The year 2018-19 has been record year for NBJK in bringing smiles and happiness in the lives of over 3,00,000 direct beneficiaries in one year through its initiatives in education, health, livelihood, advocacy and small NGO support. Also the number of supporters and donors' base has considerably increased. We are also nominated members in different state level important committees by Govt. of Jharkhand. This shows NBJK's increasing credibility and activeness by observing full transparency, honesty and result based management.

NBJK run schools and RCCs in villages performed well by giving 94% results for class 10th board examination. We feel proud of our two students of Amoli Apurva High School, Mangarh (Chauparan) selected for state sponsored coaching facility while a tribal girl from Roshni Dhruv High School, Churchu secured highest marks in the block. There are 6431 children (61% girls) with pre-schooling & schooling support this year and 3057 (83% girls) availed free-ship/sponsorship. Child Centered Community Development program team took initiative to rescue 3 girls from trafficking.

In 2018-19 we crossed 1 lakh OPD patients in our two eye hospitals at Chauparan (Hazaribagh) and Dumka. Total OPD 1,05,379 (60% free) and 11,704 Cataract surgery (60% free) done in 2018-19. We also got support for 3rd unit of LNJP Eye Hospital in Gaya-Bihar which construction started. We hope to commission it in January 2020. Empowering the People with Disabilities (PwDs) has been another achievement by which about 38,000 Divyangjan supported in accessing disability certificates, pension, assistive devices, education, vocational training and financial inclusion. "Mission Sahyog" has been the successful new initiative in the year 2018-19 working together with the Government, Donor and the People's Groups of PwDs.

"Murhu Nari Shakti Kisan Producer Co. Ltd." in Khunti district with 96 producers' groups and 1400 share holder families has been notable achievement. Likewise the new initiative on Mother & Child Health launched in 14 villages of Dumka, provided better health, nutrition and natal care support to 461 pregnant mothers, 633 lactating mothers & 2170 children. It also improved nutrition status for 443 mal-nourished children. 22643 adolescents were mobilized over the issues of child marriage, teenage pregnancy and secondary education under Sambhav project in E Singbhum district.

Providing Income Generation support to 7689 people (83% women) through micro-credit, making over 1400 farmers "Lakhpati" and skill training to 6572 youths (68% placement/self-employed) is a leap towards sustainable livelihood development to marginalized community.

NBJK believes in spreading of social activism and extended its support to 25 social workers and 04 VOs for local developmental initiatives. They enabled 1164 beneficiaries to join the initiative for income generation as well as food security and made treatment possible for about 1300 Persons with Mental Illness every month.

During 2018-19, Lok Samiti did strong advocacy upon social integration, complete liquor ban, profitable-agriculture and land right to landless people with 7385 delegates. Family Counseling Center reconciled 110 cases of family disputes. Childline 1098 intervened to 63 cases of children in need and support.

We express our sincere gratitude towards all our donors and supporters who provided opportunity to NBJK to implement so many need-based projects for the marginalized community. We also express heartfelt thanks to our board members and different committees' members for their continuous interest in assessing progress, giving useful suggestions and making policies & rules for better performance. Last but not least, thanks to all our staffs to whom goes the credit for extra-ordinary achievement in the year 2018-19, only possible due to their hard work, commitment and devotion.

GENESIS

Four engineering graduates influenced by the autobiography of Mahatma Gandhi “Satya Ke Prayog” and being very sensitive to the causes of disparity, exploitation and poverty in the society, deserted their comfortable lifestyle and turned towards exploring ways to establish a “just society” in which no one remains hungry, unemployed, discriminated or exploited. Thus Nav Bharat Jagriti Kendra (NBJK) got established by them in 1971 to execute the dreams of a “just society” into reality with the initial support of great Sarvodaya leader Loknayak Jai Prakash Narayan.

VISION

To establish a progressive, peaceful and just society based on the values of equality, fraternity and mutual help.

MISSION

To educate, organize and empower the rural poor to promote development as a liberating force for achieving social justice, economic growth and self-reliance.

Farmer Duo Runs Polyhouse and Increased Their Income to Rs. 02 Lakhs+ Annually (Success Story)

Mr. Masidas Soy (52 years) and Mrs. Monica Soy (44 years), Munda tribe farmer couple belong to Binda village under Murhu block of Khunti district in Jharkhand. Masidas has been educated up to Intermediate and engaged with inherited agriculture for livelihood. Two years before, Masidas and his family members had limited livelihood and life choices despite hard labor. But in the year 2018, he was identified by NBJK & CInI Tata Trusts under Lakhpati Kisan program and exposed to Polyhouse entrepreneurship. He learnt sapling growing cycle, method of standard practices i.e. input (coco pit cleaning, maintaining PH, filling, seeding, nutrient and watering technique along with maintaining temperature of house), preservation and cleaning method of polyhouse. Also he

learnt risk factors, failures in sapling process, time-money investment and marketing etc. Though Masidas Soy was highly motivated towards Polyhouse saplings business but fallen in financial crisis one year back. At that stressful time his wife Monica Soy arranged Rs. 30,000 (Rs. 15,000 from SHG and Rs. 15,000 from self savings) and contributed to their Polyhouse construction. Apart from this the couple was linked with Rang De, a crowd funding platform to get entrepreneurship loan of Rs. 1,20,000. During initial days of his new business, Masidas suffered from paralytic attack and lost control over his entire right organs. Again his better half Monica shouldered all the responsibilities of Polyhouse business under guidance of implementing agencies. Initially she couldn't complete the demand of saplings due to stress, lack of support staffs and her husband's poor health. Masidas Soy has been cured after two months and now both of them supply soilless saplings in villages for High Value Agriculture without fear of soil borne diseases. Right now Masidas & Monica earn over Rs. 2 lakhs per annum, they appointed 3 support staffs for Polyhouse and address life choices of their family members. Their bank savings increased and they afford good education for children.
