Breaking Barriers, Brightening Visions!

31 December 2023, Deoghar: In December'23, Vimla Ramkrishna Bajaj Eye Hospital-Deoghar teamed up with Sightsavers India and SBI Foundation to conduct 51 eye screening camps across 150+ villages in Deoghar, Jamui, and Giridih districts, reaching remote areas to touch lives.

With 1079 OPD check-ups, we've identified and are supporting 596 cases of Cataract, 45 cases of Pterygium, and 226 cases of Refractive Errors. Our dedicated teams provided medication to 66 patients, gave immediate glasses to 21, and ensured urgent referrals for 111 individuals to our Vision Centers or base hospital.

The amazing personnel from Jhajha, Jasidih, and Giridih Vision Centers joined forces with VRBEH's support team, ensuring comprehensive care for those in need. Our commitment extends beyond identification – every cataract patient receives free transportation, accommodation, and surgery at our hospital for a life-changing transformation.

This impactful journey towards eradicating avoidable blindness wouldn't be possible without the support of Sightsavers India and SBI Foundation. Together, we're creating a brighter, clearer future for all.

Discover the brilliance of young minds at the Science Exhibition held at Surekha Prakash Bhai Public School!

30 December 2023, Bahera (Chouparan, Hazaribagh): NBJK-run and CBSE-affiliated SPBPS hosted an inspiring showcase of innovation on December 28th. With esteemed guests like Mr. Rakesh Kumar Singh (BEEO, Chouparan), Mr. Girija Satish (President, NBJK), Mr. Gandharv Gaurav (Program Director, NBJK), and Ms. Reena Pandey (Principal, SPBPS) inaugurating the event, it was a celebration of scientific curiosity and

creativity.

Students showcased incredible models on hydraulic dam, water cycle, pollution detector, and more, highlighting their scientific prowess. Mr. Singh commended the teamwork and creativity of rural students, emphasizing their equal capability. Mr. Satish emphasized the importance of science in daily life, lauding the students' innovative spirits.

Ms. Pandey expressed gratitude to the guests, affirming the exhibition as a platform for unveiling hidden talents. Beyond science, culinary skills were showcased, with students preparing diverse dishes, delighting attendees.

A vibrant event that celebrated knowledge, creativity, and community engagement!

Celebrating empowerment and inclusivity on this International Day of Persons with Disabilities!

03 December 2023, Patna: We're glad to share that 35 individuals with disabilities have received vital aids and appliances through NBJK's Community Based Inclusive Development & Rehabilitation program, supported by Bajaj Finserv. This initiative is a testament to our commitment to fostering socio-economic inclusion and rehabilitation for Persons with Disabilities (PwDs).

At Mahila Charkha Samiti, the occasion was graced by esteemed guests: Dr. Vinay Thakur (Superintendent, Rajendra Nagar Community Hospital), Mr. Manoj Kumar (Human Rights Activist), and Mr. Jyoti Ranjan Das (Ward Councilor), who applauded our efforts in enhancing the lives of those facing disabilities.

The Program Manager Mr. Amit Ranjan Prasad highlighted NBJK's ongoing dedication to empowering PwDs. Heartfelt thanks to our dedicated team members, Mr. Satyendra Kumar, Mr. Ritik Anand, and others, whose contributions made this event successful.

Together, we're stepping forward to create a world that's inclusive and supportive of every individual's journey. Let's continue to spread empowerment and accessibility for PwDs!!

NBJK's Presentation before Delegates of Corporate Sector

01 December 2023, Hazaribagh: On the invitation of Hon'ble MP of Hazaribagh Shri Jayant Sinha, a 10-member joint delegation of NRIs and foreign entrepreneurs was on a visit to Hazaribagh.

During the breakfast session organized for the guests at Vinayak Hotel, the Secretary of Nav Bharat Jagriti Kendra, Mr. Satish Girija and Director Mr. Anand Abhinav met them and appealed to help in solving the problems of Hazaribagh district under Corporate Social Responsibility.

Mr. Satish Girija said that in view of the problems like unemployment among local youth after mechanization of coal mines, lack of irrigation facilities-rainfall, migration, more than 50% BPL population and increasing number of eye patients in rural areas, there is a need to intervene immediately. NBJK can contribute to overcome these problems by running skill development training to youths, pond construction and cataract surgery campaigns across villages.

He said that if resources are made available, we can carry out these works at very low cost with the help of our experience and management ability. Shri Anand Abhinav presented a brief description of the programs run by NBJK through a PowerPoint presentation.

On this occasion, Mr. Arjun Sinha, Mr. Deepak Nath Sahay, Mr. Sunny Gupta from the MP's office and Mr. Rajeev Singh, Kirti Rawat, Sanjay Kumar etc. from NBJK were present.
